

RE2080

Intiimi is the Finnish word for purity. And purity is precisely the DNA that makes up this new high-end inwall speaker series. With a nearly frameless grill measuring a mere 1 millimetre, and a thickness of just under 5 millimetres, it breaks with all contemporary standards. Behind the grill is a curved front plate engraving with an elegant style and a unique tone controller. The titanium driver with a powerful neodymium magnet and a patented® suspension may be adjusted to suit your taste. The Intiimi series purifies the signal from the amplifier via an advanced separation filter and a correction filter. Intiimi produces a harmonious sound, under any conditions, with a perfect tone balance.

Our top model: divine sound in every detail.

TECHNICAL SPECIFICATIONS

range	<50m ²
sound quality	warm and detailed
system	3-way
woofer	8" neodymium
tweeter	1" neodymium titanium dome
mid tones	2" titanium
max power	160W
sensitivity	90dB
impedance	4-8Ω
frequency range	48Hz - 20kHz
dimensions cut-out (Ø)	335 x 230mm
dimensions (Ø x d)	360 x 255 x 100mm
weight / piece	2,2kg
housing	ABS
colour	white
extra	paintable
