

SQ2040

Intiimi is the Finnish word for purity. And purity is precisely the DNA that makes up this new high-end inwall speaker series. With a nearly frameless grill measuring a mere 1 millimetre, and a thickness of just under 5 millimetres, it breaks with all contemporary standards. The titanium driver with neodymium magnet and patented® suspension allows you to point it in any desired direction. The Intiimi series purifies the signal from the amplifier via an advanced separation filter and a correction filter. The SQ2040 is very lovable; extremely compact but capable of world-class performance given its size.

SQ2040, a hip, square speaker for top results without even being visible.

TECHNICAL SPECIFICATIONS

range	<40m ²
sound quality	warm and detailed
system	2-way coaxial
woofer	4" neodymium
tweeter	1" neodymium titanium dome
max power	100W
sensitivity	84dB
impedance	4-8Ω
frequency range	60Hz - 20kHz
dimensions cut-out (Ø)	140 x 140mm
dimensions (Ø x d)	165 x 165 x 80mm
weight / piece	1,2kg
housing	ABS
colour	white
extra	paintable
