

# HPRO525

Treat yourself to some oxygen. HAPPI is a Finnish word which means open, oxygen. This HPRO525 makes the ideal partner. It creates the perfect mood for letting off steam, both literally and metaphorically. Thanks to the aluminium woofer and the swivel tweeter, it carries every detail a long distance.

Steam in your bathroom, both literally and metaphorically: the HPRO525 does the business!

## TECHNICAL SPECIFICATIONS
